Brothers,

Happy Holidays to you and your family.

It is my pleasure to serve as your master for the coming Masonic year. Thank you for showing confidence in me again.

Our goals for the lodge this coming year are ambitious, we want to get after the backlog of improvement projects we have been discussing, do more for the community, and build our ranks. That is going to take all of us, so we are open to suggestions on how to achieve that goal. I'll outline some potential ideas in a letter to all of you before our next stated.

Russ

Greetings Companions,

Happy new year to all! We have some housekeeping to do this year, starting with a Zoom meeting to talk about our plans for Forest Grove York Rite. Watch your email for instructions on how to join. If you don't do Zoom and would like to participate, you can do so by phone. Contact me for instructions on how to do that. This meeting will be for Forest Grove members only.

Ryan Winters will be making his OV as Grand Master of the First Arch for Council, postponed from the November meeting.

I know several of you are in need of ritual books, and Allan is working on getting everyone caught up. Please contact him directly if you need to get one so we can add you to the list.

Happy holidays!
