Mar 7            6:00 Dinner / fellowship  
                     7:00 Stated Meeting

Brothers,

We had a very good turnout at the February stated. We discussed and set the agenda for this coming year in terms of improvements to the Lodge, how we will approach renting the building, and youth and community support. It is going to be a very productive year for us. First priority for building improvements is to put in a stair lift so that everyone that wants to attend lodge can do so without the obstacle of climbing those stairs to the 2nd floor. I would personally like to understand what additional content we can add to the meetings that will be interesting and make them more meaningful and attractive. Feel free to call, text, or email me, or any of the Lodge officers with your ideas and we will discuss them first opportunity. I hope to see you all at the March stated.

Fraternally,  
Russ

Hail Companions!

First things first: **WE HAVE A NEW MEETING DAY OF THE MONTH.** Please note we are now meeting on the 2nd Monday of each month with our usual time off for summer.

We are going back to having dinner at the Temple for now. Reservations are strongly encouraged and will be required for degree nights. Contact me to reserve your spot for dinner.

We balloted on a petition in February so degrees are coming up. There will be 2 rehearsals for the Mark Master degree this year, and we may continue this in 2023 as we get new players up to speed.

We are waiting on new ritual books, they should be here in time for the March meeting. Come get yours and sign up to take part in our degree work--that's where the fun is! If you have any questions about what part(s) might be good for your set of skills, feel free to contact me.

See you for dinner!

Jim Dorman II
