Brothers,

Summer has gone fast this year, with one in college and one in highschool, it seems faster than normal. It will soon be getting cooler, which I'm sure none of us will mind, and its time to get back to regular lodge meetings. We will have a lot to talk about at the September stated and will have at least one EA proficiency. I'm very much looking forward to that happening and continuing to advance our new brothers through their degrees. It will still be warm, so we will do a repeat of the June stated, Hawiian theme and menu for dinner. Given the tragic wildfires on Maui, we will discuss a potential donation from the Lodge to assist with the relief efforts. Having been there many times, it seems personal to me and I'm sure to anybody else who has visited as well. I am looking forward to seeing you all in Lodge.

Fraternally,

Russ

Greetings Companions,

I hope everyone has been enjoying the time off for summer, now it's time to resume our labors. The Royal Arch degree is coming up, if you don't already have a part please reach out to Larry Keyes at lekeyes@hotmail.com and he'll give you one. There are non-speaking roles available on the tech crew for this degree as well.

Since we normally don't meet in October, we will not have a business meeting on the 16th, just degrees. Please note that this is the third Monday, not the second one.

November will be here soon, so please be thinking about your impressions of this year's work and what you'd like to see your York Rite do in the future. We'll be talking about that and making some decisions before the meeting in November.

See you for dinner!

Jim Dorman II
