Brothers,

We did manage our Hawaiian themed dinner this past month, not Canadian bacon and pineapple pizza, but actual Hawaiian food. I have to say, it was better than pizza. It was good to see everyone after the summer, and good to get back to business. I'm hoping that we will have two proficiencies and a fellow craft degree or two very soon. Seeing Brothers progress is encouraging for the lodge. In case you are not aware, we sponsor a cub scout pack that will start meeting at the lodge every other Wednesday. I would like to coordinate some introductions in the near future, I've met the leadership and would like to meet the kids, so if you are interested, let me know. Could be some future Masons in that pack.

I hope to see you at the October stated.

Fraternally,

Russ

Chapter after Council – Elections

Greetings Companions,

Thanks to everyone for their patience & flexibility with our recent schedule changes, most especially to our candidates who have been remarkably good sports through some chaotic times. I am pleased that we are able to modify the schedule; I think it will enable us to give our candidates the quality of work they deserve to see.

The Royal Arch conferral in October is a Special Convocation, so no business will be conducted. Don't get used to that, as November will be a very busy meeting. We have at least one OV for Council plus conferring both Council degrees, and meetings with elections for both York Rite bodies. Since the November meeting will be so full, installation of officers will be at a date yet to be determined. Please give some thought to what office you might like to have in 2024.

See you for dinner!

Jim Dorman II
