Greetings Everyone,

I would like to thank you for placing your trust in me for the coming year. I would also like to thank all who came to Decembers stated and the Installation afterwards.

We have some building improvement projects planned this year, our rental income is in a good place and growing, and I have a few ideas of activities we can do. I would love to hear any of yours. I look forward to seeing you in lodge. Please reach out if you need anything from transportation to an ear to listen.

Happy Holidays

 Round-table discussion + dessert downstairs

Greetings Companions,

As this is coming to you during the holiday season, I hope everyone enjoys all the midwinter celebrations—living in such a diverse society means more chances to party!

Just for the record, casual dress is still in effect until further notice.

Our schedule for the January meeting will be a little different than normal. I'd like to get through business in both bodies as briefly as we can, then adjourn to the dining room for dessert and a round-table discussion about everyone's impressions of this year and thought on the future of York Rite in Forest Grove. Please attend if you are able.

I have not received word regarding any official visits for January, but if those happen we will schedule our discussion for another time. While visitors are always welcome, I feel it's important that we decide what to do based on our needs at the local level since we are the ones who will make things happen.

Happy holidays!

Fraternally,
Jim Dorman II
