Greeting Companions,

Per our recent by-law change, we don't meet again until May. Our GHP had a schedule conflict and cancelled his official visit. We were one companion shy of a quorum in January. I hope our attendance improves. I would still like to be able to do a full-form opening whenever we can. See you in May.

Fraternally,  
Larry Keyes, EHP

Members of York Rite appreciate the meaningful lessons of our degrees. They enjoy the brotherhood and camaraderie of association with other members. To the members who attend the meetings and degrees, the value of going out on a cold and wet Oregon night is worth the effort. However, many Master Masons in our area are not aware of these values. Our membership is driven by presenting a positive view of York Rite. We need our members to “talk it up” at their respective Blue Lodges and other appendant bodies. We need petitions from men looking for more Light in Masonry! Let’s pledge to work harder this year to support Chapter and Council.
