Oct 7 Past Masters & Awards Night

Greetings Brothers,

It's been great to have a break over the summer, but it will also be great to get together again and catch up as we resume our labors. Our agenda looks pretty light so far which means more time for fellowship, but since we've been out of the loop for a while there could be other things we need to address. If you have anything to include in the September agenda, please let me know.

Our October Stated will see the return of Past Master's Night. All Past Masters are encouraged to attend and bask in the glory of the Lodge's appreciation for your efforts in the Big Chair. We will also be honoring several members who have earned awards from 25 all the way up to 65 years in Masonry. Please take a moment to calculate your years of service, as I want to add them all up and see just how much Masonic experience we can bring together in our Lodge.

We still need to address some serious questions about the future of the Lodge and the Temple. My goal is to have some of these questions resolved before the end of the year, which will be here soon. Come to Lodge and participate in these important discussions.

**NEED A RIDE?** – Do you need a ride to Lodge or know someone who does? Please let me know. We have several Brothers who are able to assist with this.

                    Chapter following Council

Greetings Companions,

I hope you have had a good summer and are ready to return to our labors in the sacred tabernacle.

It is with sadness that it has been reported to me that Companion Bill Sparks II has sojourned to that house not made with hands, eternal in the heavens. Let us remember his family in our prayers.

Please be prepared to attend chapter and open in full-form. Also, we need to be looking forward to our election of officers in November and conferring degrees next year if we have any petitioners. Let us be looking for Master Masons who would be worthy of further light in Masonry.

Fraternally,  
Larry Keyes, EHP

Companions,

I hope you are having a great summer, but it is almost time to go back to "work". We will meet at 7pm on Sept 8th. Some of us will also have dinner at 6pm at the Mexican place next door. Please join us.

Phil Myers, IM
