Greetings Brothers,

Just that quickly, we are coming to the end of 2025. I want to thank all the officers and members who have come to Lodge and offered their support and good fellowship. We still have work to do and with our dedicated members, I know we will get it all done.

We have petitions coming in and have an EA degree coming up on November 18. If you can help, please contact Larry Keyes at lekeyes@hotmail.com. We anticipate there will be more degrees coming up soon, so brush up on those ritual parts!

December's meeting will feature an official visit by our District Deputy, along with a tyled installation of our 2026 officers and a round-table discussion about ensuring a solid future for our Lodge and our Temple. Please attend if you are able, we need your input!

While this is such a busy time of year, I'd like to remind everyone to make the effort to spend time with family & friends this holiday season. Maybe the habit will catch on for the rest of the year. Working together is the only way we will make it through these trying and crazy times.

NEED A RIDE? – Do you need a ride to Lodge or know someone who does? Please let me know. We have several Brothers who are able to assist with this.

Chapter following Council – Mark Master rehearsal

Jan 20 Mark Master & Past Master conferrals 7:00pm

Greetings Companions,

We had a rather productive convocation in November including an official visit with our District Deputy, REC C. Allan White, reading of three petitions, election of officers, discussion of investments and changing our meeting night to the second Tuesday of the month.

We don't meet in December, but we have plenty of work to do in January. Hopefully, we will ballot on the petitions, vote on the schedule change and confer the Mark Master and Past Master degrees. We are planning to rehearse for the Mark Master on the evening of our January stated and conferring both degrees on January 20th. REC C. Allen White is casting the degree teams. We need all the help we can get.

I got held back as EHP, so hopefully I can get it right next year. I wish you all a joyous holiday season.

Fraternally,
Larry Keyes, EHP

Good News for our Chapter and Council! We have received three petitions for degrees next year. Sunset Council will continue a long tradition of outstanding degree work as we advance our new Companions. Please plan to attend the January 12th meeting at 7pm. We will further discuss changing our quarterly meeting dates from the second Monday to the second Tuesday for the balance of 2026. This change will afford more companions to attend both meetings and degree work.

Phil Myers, IM
