## Happy New Year Greetings to our Masonic Family!

What HAS happened in Lodge? What IS happening and what is GOING to happen. Starting with the first stated meeting in January, we got through the meeting with minimal casualties. It is always great to take care of business. It didn't hurt to start with lasagna for our 6 o'clock dinner and then end up with Brother Bob's scrumptious dessert by 8:30.

For those of you that may not know. We host a very active cub scout pack. They meet every Wednesday downstairs on the main floor. The pack is led by Brother Derrick Sturgil and his wife Heather. They do an amazing job having many outings and activities for the scouts. This coming February 8th at 5pm at Holbrook will be the Court of Honor for William Sturgil. The pack has invited all members of our lodge to attend this important night for William.

Coming up to our next stated on February 3rd, we will be having a baked potato bar hosted by myself and Brother Frank Drew at 6pm. On that subject, if anyone would like to host the March meeting for dinner please let me know. For example, dinners can be anything from pizza to rib-eyes.

In the works is an All-Masonic family dinner in April. It will be on a Sunday afternoon at Holbrook's banquet room. No date or time has been locked in yet. Details concerning this dinner will be in the March Trestleboard.

Also coming up in February, there will be a day to organize the library and cut the brush down again on the north side of the lodge. The date for that will be Saturday the 21st at 10am. There will be coffee and donuts at 9:30am. If it is raining hard that day we will be working indoors and eating more donuts.

Yours Very Truly and Fraternally -- Jim E.

Greetings Companions,

I am writing this prior to the conferral of the Mark Master and Past Master degrees on January 20th. Many thanks to REC C. Allan White for casting the degrees. We look forward to the Most Excellent Master and Royal Arch degrees TBA. We need your help to make that happen.

Fraternally,  
Larry Keyes, EHP
