Hello Masonic Family,

Seems like it wasn't dark very long. Time flies when you are busy with projects and fun. On the subject of busy, September could be a busy month for degree work and more fun. Three petitions could get voted on at our September stated. The 13th is a work party at 2pm for a clean up in the furnace room. The 19th will be open house at the lodge for tours and treats. This is also the day for the sidewalk chalk art and corn roast. Check out the dates for events and gatherings.

At least 3 prospects will be joining us for dinner on the 1st. Also for the benefit of new members and prospects, please do not wear shorts. Long pants and a collared shirt is suggested. (Kilts are accepted, this could start a tradition) It has been customary not to wear a jacket at the September meeting because of our sauna like atmosphere upstairs. Thank you for your consideration and cooperation on this.

Our scout pack was busy this summer with booths set up at Tom McCall school on the 4th of July and the Derby Days in Yamhill. Our Masonic Lodge was also involved with those events.

See you for dinner and fellowship on the 1st of September.

Yours Truly and Fraternally,
WM Jim Evans

Chapter following Council

Greetings Companions,

I hope you all have had a good summer and are ready to resume our labors in September. Let us study the ritual and prepare to improve our opening ceremony. I think I heard a rumor that we may have an official visit. We still need to discuss changing our meeting night, so if you have any input on that topic, we need your presence. Please consider stepping up to fill an office as we will be electing officers in November. I'm hoping to have some petitions to read. I'm looking forward to a productive year in Capitular Masonry.

Fraternally,
Larry Keyes, EHP
